

Regarding Cross-Media Ownership:

I am opposed. I live in the Dallas-Fort Worth area. (At least) two TV stations have cross-ownership with the two local major newspapers. Our TV news includes such news coverage as "(Blah, blah, blah.....) Get details in the Fort Worth (or, from the other station, the Dallas Morning News) tomorrow".

Separated ownership will give us a better chance of more news & news reports unbiased by the same interest.
